TECHNOLOGY CENTER R3700

Sir:

In response to the Office Action mailed 02 October 2001, please amend the above-identified application as follows:

IN THE CLAIMS:

Please replace amended claims 20 and 27 as follow:

20. A carrier system for establishing positive control of a printable medium processed by a printing system, the carrier system comprising:

at least a first roller chain carrier assembly located on the first side of a transport path of a printable medium;

at least a second roller chain carrier assembly located on a second side of the transport path;
